

24,8 mm

Ø600/800/1000 mm

The image is a technical drawing of a pipe section. On the left, a vertical rectangular flange is shown with a width dimension of 24,8 mm. To the right of the flange is a large circular pipe. The pipe is represented by two concentric circles. A diagonal dimension line with arrows at both ends spans the width of the pipe, labeled with the text 'Ø600/800/1000 mm'.
